

Notice to all HKSF Recognized Teaching Centres: HKSF Junior Sailing Scheme

Dear Centre Manager,

The HKSF launched our Junior Sailing Scheme in 2018 and further details may be found on our website under “Dinghy Sailing” / “Junior Sailing Scheme”.

The HKSF Junior Sailing Scheme comprises a 4-stage progression, with each course designed to be run over a minimum of either 2 whole-days or 5 half days. The scheme was specifically designed to accommodate existing Junior Training in Hong Kong to enable an easy transition for Clubs and Centres. To this end, the HKSF will accept as equivalents the following courses:

1. Please note that this equivalency table does not entitle holders to apply for an HKSF certificate on the basis of existing held qualifications; it is simply an indication of what existing qualification can be taken into account when applying for an HKSF Certificate Course.
2. Note this table was drawn up in May 2019 and reflects published course content at that time only.
3. Should any other clubs or centres in Hong Kong run Optimist-based Junior Sailing Courses and be interested in having their courses assessed for equivalency, please contact the HKSF Office.
