

HKSF Trainer Professional Development, Update and Validation Course

Organised By: Hong Kong Sailing Federation

This is the opportunity for the team of trainers to work together to both develop the courses being delivered and to develop their personal skills. Our enthusiasm and passion for this sport come from gaining new techniques, new skills and widening our knowledge of both the sport and our coaching techniques. To this end, the two days will be split between time on the water improving both our sailing and our coaching delivery and time ashore exploring how we can expand the tools we use.
