

HKSF LEVEL 1 RACE OFFICER TRAINING COURSE

To become a Race Officer

The HKSF is currently developing a scheme for Sailing Race Management Officials. The purpose of this scheme is to build the capacity for those interested by introducing them to all aspects of being a Race Officer for clubs' and watersports centres' racing events. The course will provide participants knowledge and skills needed.

The Course Outline

The course will be conducted in a classroom setting. After attending this eight-hour course and passed the **exam** at the end of it, before being fully accredited and certified by the HKSF, the participant will be required to be an Assistant Race Officer on eight race days over the following twenty-four months. The Race Officer in-charge on each day will confirm in writing that the participant has met the standard by filling in the "Practical Experience Record Sheet" which the participant is required to keep and submit to HKSF when completed. Such record sheet can be found on the HKSF website.

The Course Syllabus

The following topics will be covered:

- 1) Introduction to Club Race Management
- 2) Roles and Responsibilities
- 3) Resources and Equipment
- 4) Weather
- 5) Race Area & Courses
- 6) The Start
- 7) Race Control
- 8) The Finish
- 9) Post Racing
- 10) Multiple choice exam (passing mark: 70%)
